REASON FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

This instant application directs to a non-obvious feature improvement over the cited prior art for presenting assistance data to a plurality of user terminals in a conference system. The non-obvious feature comprises the steps of determining whether or not voice data is included in the received communication data and determining whether or not voice data is included in the assistance data, adjusting the sound volume of voice data in the assistance data if it was determined that voice data is included in the communication data received from the plurality of user terminals, and if voice data is also included in the assistance data, the assistance data that includes sound volume adjusted voice data is then provided to the plurality of user terminals. This patentability is included in independent claims 1, 12-15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Information Disclosure Statement

2. The references listed in the information disclosure statements submitted on 11/7/06 has been considered by the examiner (see attached PTO-1449).
